

RESEARCH INSTITUTE FOR QUANTITATIVE AND QUANTUM DYNAMICS OF LIVING ORGANISMS
CENTER FOR MEDICINE, MATHEMATICS & PHILOSOPHY STUDIES

Official Affiliation Document

22/12/2023

To Whom It May Concern,

Subject: Official Affiliation of the Journal of Multiscale Neuroscience with QPP- Seralmente.

I, Marco Cavaglià in my capacity as President of the Quantum Paradigms of Psychopathology (QPP) Seralmente, hereby declare that the Journal of Multiscale Neuroscience (JMN) is officially recognized as an affiliated journal of QPPSeralmente.

This affiliation signifies a mutual commitment to advancing the study and understanding of neuroscience through the innovative lens of quantum paradigms. It is our belief that the collaboration between QPP and JMN will greatly contribute to the progress and dissemination of ground-breaking research in our field.

We are proud to have the Journal of Multiscale Neuroscience under the umbrella of QPP and look forward to a productive and enriching partnership.

Sincerely,

A handwritten signature in black ink, appearing to read 'Marco Cavaglià', written in a cursive style.

Marco Cavaglià

President, Quantum Paradigms of Psychopathology (QPP)-Seralmente
